

Financial Adviser School - apply now for October intake

With the first intake of the Financial Adviser School students taking R01 at the end of August, they are already planning their next intake for October.

Financial Adviser School is ideal for:

- **Family firms** looking to train up their sons or daughters
- Firms looking to **recruit from within** - why not train someone you know and trust?
- **Paraplanners** and administrative staff looking to further their career
- **Students** looking for a vocational route to a valuable career.
- **Self-starters** looking for a new profession

The 18 month course not only takes the students through the CII's R0 syllabus, and on to achieving the **Diploma in Regulated Financial Planning**, it also teaches them a broader syllabus of skills not available through traditional routes. The syllabus is split into **Study, Adviser Skills, Business Skills and Soft Skills** to ensure a well-rounded education..

Want to become a mentor?

The Financial Adviser School needs experienced advisers to act as mentors to students who are not sponsored by an IFA firm. Payment and CPD points available. Email info@thefaschool.co.uk for more info.
